

Mass K of C Chaplain of the Year

Does your Council have that Priest who embodies the Spirit of Father Michael McGivney as he works with the Council ?

The time has come to honor the Council Chaplain.

Our method of doing this honor is to ask the Councils to send a letter to the State Office and please describe how your Chaplain has those qualities which both inspires the Council and the Brother Knights to live a Catholic life while the Council and the members strive to live a life of Charity, Unity, Fraternity and Patriotism.

There are no developed guidelines as to how a Council shall do this but the letter should be at least a page long and should talk about your Chaplain's influence on the Council. The influence may range from Spiritual to every day advice. How you portray this man, this Priest will come from your hearts.

Best of luck and the information must be in the State Office by the Lantern Award. I believe this will produce a wealth of knowledge concerning the importance of the Chaplain in the workings of our Councils. The honor will be presented at our State Convention in May.
