

# REPORT OF ROUND TABLE COORDINATOR

Due By:  
Upon Formation

For Supreme Office Use Only  
Rec'd \_\_\_\_\_

During an address to the state deputies, Supreme Knight Carl Anderson stated that "we have nothing less than a moral obligation to offer every eligible Catholic man the opportunity and the privilege of membership in our Order." He also stated, "we must have a Knights of Columbus presence in every parish." Therefore, councils serving more than one parish are urged to implement the Parish Round Table program in each of the parishes.

Under the Parish Round Table concept, council members belonging to the parish will become members of the Parish Round Table developed to assist the pastor with any project that he may assign to the group. The pastor will be asked to recommend a member from the group and the grand knight will appoint that member as the coordinator. Round Tables should also be offered to small parishes or missions within your area. These parishes need a Knights of Columbus presence and can also offer your council additional growth potential.

Please print or type names and membership numbers for those coordinators appointed for the Parish Round Tables. Failure to include membership numbers will only delay the processing and receipt of special program materials, which include **PROGRAM SUPPLEMENT**.

The report of round Table Coordinators (Form #2629) should be submitted to the Council Growth and Development Department upon formation of the Round Table. If there are address changes, additions or deletions of coordinators at any time during the year please notify the Supreme Council Growth and Development Department. State Councils will continue to be urged to form new councils in those parishes large enough to support a council and are not being sponsored by a Round Table.

Additional information on the Parish Round Table program may be obtained by contacting the Supreme Council Growth and Development Department.

Is your Council a Parish Council Yes                      Is your Council Non-Parish (owns its own home) Yes
