

AN OFFER OF HELP

**To all Grand Knights
and Financial Secretaries**

**Gentlemen, do you need help with
RETENTION?**

Your Regional Membership Team is ready and able to help you work through your Retention Process.

All you have to do is contact your District Deputy and he will have a member of the Membership Team meet with you at your next meeting or at a special meeting.

Simply prepare a list of your members who are in arrears with their dues, including their phone number. If your council is using the Financial Secretary's Software Package from the Supreme Council, simply print the Outstanding Balance Report for this listing.

We'll visit for 5 members or less, we'll visit for 10 members or more. Let's say we will visit to help you.

Let us help lessen the load of Retention for you.

Call your District Deputy now.
